From US 45, turn north-east on to FM 242 and drive to its intersection with FM 1314. Turn east (right) and go about 5 miles. There is a Shell station on the corner of 1314 and Porter Lane. Turn south (right) on Porter Lane, go 1 1/2 miles and turn right, into the subdivision. Take the third street left and drive down the hill. My house then faces you. There is a double blue mail box.

From US 59 (soon to be US 69) drive to the Porter exit. Take FM 1314 and drive north-west toward Conroe about 6 miles. Immediately past a Shell station turn south (left) on to Porter Lane. Go 1 1/2 miles, turn right into the subdivision, take the third street left. Drive down the hill and my house faces you. There is a double blue mailbox.

Bon voyage.
